PAIN IN THE BACK?

A Trial Bottle of the World's Greatest Kidney Cure Sent ABSOLUTELY FREE to Every Reader of The Times-Dispatch Who Suffers From Kidney, Liver, Bladder or Blood Disease, or What is Commonly Known Among Women as "Female Weakness."

IT IS YOUR KIDNEYS!

Thousands of Men and Women Have Kidney Disease and Do Not Know It Until It Is Too Late.

THIS SIMPLE TEST WILL TELL: Put some morning urine in a glass or bottle; let it stand for twenty-four hours. If it is milky or cloudy or contains a reddish brick-dust sediment, or if particles or germs float about in it, your kidneys are diseased. This is the supreme moment when you should begin to take WARNER'S SAFE CURE to arrest all these unnatural conditions, for they are the unmistakable symptoms of kidney disease. If, after you have made this test, you have any doubt in your mind as to the development of the disease in your system, send us a sample of your urine, and our doctors will analyze it and send you a report with advice, free.

WARNER'S SAFE CURE

Mrs. Sarah Summa, Corsicana, Texas, writes: "Six months ago no one thought I could live. My limbs were badly bloated and painful. I had pains in my back and a ringing in my ears. The doctors could not help me, but my husband did not lose hope. He bought me a bottle of WARNER'S SAFE CURE and WARNER'S PILLS, and I began to improve at once. I am now entirely cured and never felt better."

CURES KIDNEYS

Are you tired? Low-spirited? Weak and flabby? Have you a constant dripping ache in the small of your back? Have you chills? Scalding and pain when you urinate? A frequent desire to urinate? Have you trouble with sleeplessness? Have you headache? Is your appetite bad? Do you find your food does not nourish your body and mind? Is your blood rich and red? Have you a bad taste in your mouth in the morning? If you have any of these symptoms, your kidneys have been diseased for a long time, for kidney diseases seldom put out such symptoms until they have reached a very advanced stage, and the tissues have been eaten away with the disease. You have every reason to be alarmed, and you should begin to take WARNER'S SAFE CURE at once. You will find full directions with each bottle. WARNER'S SAFE CURE cures any form of kidney trouble, whether it be diabetes, uric acid, blood disease, inflammation of the bladder, rheumatic gout, liver complaint, female weakness and irregular periods (female weakness and irregular periods are caused by kidney disease), too frequent desire to urinate, stones in the bladder, blood disease, indigestion and headaches. All these diseases originate in the kidneys. WARNER'S SAFE CURE is purely vegetable and contains no harmful drugs; it does not constipate. It is put up in two regular sizes, and is sold by all druggists at 50 CENTS AND 1.00 per bottle.

Refuse substitutes. There is none "just as good" as WARNER'S. Insist on having the genuine WARNER'S SAFE CURE. Substitutes contain harmful drugs which injure the system.

TRIAL. BOTTLE FREE. To convince every sufferer from diseases of the kidneys, liver, bladder and blood that WARNER'S SAFE CURE will cure them, a trial bottle will be sent ABSOLUTELY FREE to any one who will write WARNER'S SAFE CURE CO., Rochester, N. Y., and mention having seen this advertisement in The Times-Dispatch. The genuineness of this offer is fully guaranteed by the publisher. Our doctors will also send medical booklet, containing symptoms and treatment of each disease, and many convincing testimonials, free.
